Campbell Hall Parking

Department of Linguistics
UCLA

- Enter from Sunset Boulevard at corner of Westwood Plaza; this is the yellow arrow on map below.

- Go straight ahead, through the light, and underground. You'll see a kiosk at which you can obtain parking privileges. If you're an official visitor and the department is covering your parking, give them your name and the confirmation number you got from us. If you're coming on your own, the charge as of 2016 is $12 (disabled parking is $5).

- Go to the parking structure to which you have been directed (ask for 5, but you might get assigned to 3, 4, or some other).

- Once parked, follow blue lines on map below to Campbell Hall.

- Department office is in Campbell 3125 (click here for map)

- If you're sent to a different parking structure than 3, 4 or 5, ask the attendant for a campus map; or you can print out this one in advance.

- If you're not here all day, there's metered parking on Level 6 of Structure 5 and various other locations on campus. This is quite a bit cheaper than the full day charge. More information on this is available here.
