### III. Attachments

You may attach any sort of materials you feel might help us judge your qualifications for summer teaching. Suggested materials include:

- Resume
- Summary of experience and interests
- Your UCLA academic transcript (Xeroxed, non-official transcripts are acceptable; you can get one from Natasha Brown)
- Evaluation forms or summaries from previous teaching experience. It is usually helpful to provide a Xerox of every form on which students have made comments
- Letters of recommendation from former students, your own teachers, professors for who you have TA'd, or others qualified to judge your teaching.
